

SMARTOFFICE™ - SMART ATTENDANCE SYSTEM

SMARTOFFICE™ SMART ATTENDANCE SYSTEM

INTRODUCTION

SMART ATTENDANCE SYSTEM is an Advance Attendance Monitoring System that helps Organization to Track Employee's Work Attendance with Ease and Accuracy. The secured Digital QR-Code used in the Smart Attendance System will reduce Company Cost and time taken to implement the solution since there is no need for Special Attendance Recording System and equipment.

BENEFITS

- **LOWER COST OF INVESTMENT**
The Organization does not require to Implement any Employee Access Card System and to Setup any Attendance Recording Equipment to Capture the Employee's Work Attendance. Thereby, Lowering the Cost of Investment and Maintenance
- **REDUCE PAPERWORK**
A Paperless Environment eliminating the need for manual processes of using paper and this, in turn, will reduce Employee workload
- **SUPPORT ALL INDUSTRIES**
Can be Implemented in all industries like Business Establishment, Hospitals, Schools, etc
- **MORE ACCURATE**
Track Attendance performance more Precisely with access to daily, monthly or yearly Attendance Report by Employee

KEY FEATURES

- **QR CODE**
Eliminate the need to Carry Any Physical Access Card or Tag, just Scan the Secured QR-CODE through their Mobile Phone Camera
- **EASY MONITORING**
Auto Generated Report to view Employee Attendance Records by day, month or year
- **EASY TO USE**
Smart Attendance System only require Employee to Scan the QR Code using their Mobile Phone Camera
- **EASY SETUP**
Installation is very Easy and Quick that require Employee to use only a Single Application
- **TRACK ATTENDANCE**
Easy Track the exact Time in and Time out of the Employee
- **ASSESS EMPLOYEE PERFORMANCE**
Improve Visibility on Employee Attendance as part of their Performance Metrics
- **MULTI-PLATFORMS**
Support Multiple Platforms - Android & Windows
